

**The Wherwell History Group – A Living Link**  
**Preserving the past and the present for the future**

Bickerstaffe, Wherwell, Hampshire SP11 7JU

10 May 2009

To all new members of the Wherwell History Group

Dear Members

This is to welcome you to the Wherwell History Group and to thank you for your support. The committee were very pleased to see you all at the 'Watermills and Windmills' talk. We were thrilled with the number of people who came along that evening and we look forward to seeing you at future events.

Our next open meeting is this coming Friday, 15 May - '**Antiques Quiz**', **An Evening with Bill Evans** from Globe Galleries, Andover and is sure to be another entertaining evening. We look forward to welcoming you to the village hall for an 8 o'clock start.

Next month's event is an evening '**Walk in Winchester**' with Elizabeth Proudman on **Friday 19 June** meeting at King Alfred's statue by **7.00 p.m.** This event is for a maximum of 25 people and we would like to offer any spare places for sale at this Friday's meeting. Don't forget it is 'free' to members so if you would like to come on this walk will you please contact me before six o'clock on Thursday evening, 14<sup>th</sup>, to reserve your places so I know how many places are left to offer. Thank you.

Some of you have asked if we will have Membership Cards and these are being prepared for distribution on Friday.

I have created a WHG List of all members for emails and I am currently floundering on my Apple Mac to set up an automatic acknowledgement so that I know you are all receiving me. It must be there but I just can't find how! Can you therefore all please reply and say 'I've got it' until I do. Thanks.

We look forward to seeing you soon.

Yours sincerely

Brenda Bryant

*Everyone has a story to tell*

*The Wherwell History Group will be a link between the past and the future through helping the village to create a community archive. It will unearth hidden stories, collect and record historic and current memories and data, and preserve documents, diaries and memorabilia into sustainable lasting collections for generations to come.*
